## Additional Information

### Lunch boxes

It's important to provide a balanced lunch and snacks for your child that will last them the entire day. Please remember that too much is better than not enough, so an extra piece of fruit is encouraged.

We have morning tea/lunch/afternoon tea breaks throughout the day. Meal times are progressive and children can choose to eat when they are hungry.

We have a fridge for snacks to be kept cool; however we are not able to heat or re-heat items so please keep this in mind when packing your child's food for the day. We provide breakfast if required and a seasonal fruit platter for afternoon tea.

### Clothing

Our sun smart policy states that children must wear sleeves (no singlets please) and hats (wide brimmed or legionnaire) at all times whilst outside.

Please provide sunscreen in your child's bag just like a normal school day.

We will be playing sports, running and climbing so please ensure your child wears appropriate footwear.

Please label your child's belongings.

### Technology

We no longer allow children to bring their own technology device to our programs. The program on offer focus' on learning through play! Group educational sessions on the interactive whiteboard may be offered in the program, which will be facilitated by an educator.
